March 11, 2010

Hello Players and Parents,

Welcome to the Western Reserve Soccer Camp 2010. We are proud to offer the very best camp facilities, programming and coaching staff in Northern Ohio. Here is some important information to remember about our camp.

Camp check-in begins Monday June 14th, 2010 at 8:30am. All players must check-in at the [Murdough Athletic Center](#). For express check-in, please have your balance paid in full prior to June 14th.

After you have successfully checked-in, please proceed to the soccer fields, located behind [Ellsworth Hall](#) and the [Morgan Building](#). Your day will then begin!

After the first day, all campers may be dropped off at 8:55am (no earlier).

Lunch will be served daily at 12:30pm in [Ellsworth Hall](#). Be sure and bring your swim-suit and a towel, as we will provide swimming opportunities after lunch throughout the week.

Campers should be picked up promptly at 4:00pm behind [Ellsworth Hall](#).

Don't forget to bring your new camp ball (with your name on it in permanent marker), shin guards, water, swim-suit and a towel each day.

In case of bad weather, the drop-off and or pick-up location may change. We will provide updates via the Everest Facebook page and Twitter. But our default bad weather location will be the [Field House](#) located inside the [Murdough Athletic Center](#).

Our friends from [Manchester United](#) will once again join our staff. So be sure and give Dave Bushell, Jackie Evans, William Keane and Michael Keane a warm welcome in June. [Manchester United](#) is currently in first place in the Barclay's Premier League. So keep tuned in to the Fox Soccer Channel and ESPN2 for the exciting season end results.

We are looking forward to an amazing camp! See you soon!

Steve Davis
Assistant Camp Director
